Each Work Order shall describe the scope of work to be performed, the time period for performance, the compensation to be paid, payment and invoicing schedules, and any other terms and conditions applicable to the Work Order. The services as described in Work Order(s) executed hereunder shall be referred to as "the Services." 2. Compensation. Fortified shall be compensated for Services performed as set forth in each Work Order.

3. Invoicing and payment. Fortified shall invoice for Services as provided in each Work Order. Payment is due upon Net thirty (30) days from receipt of invoice. In the event that Fortified institutes legal action to collect unpaid amounts, Fortified shall be entitled to recover its costs of collection, including attorney fees.

4. Quality of Work. Fortified shall perform the Services in a professional and workmanlike manner, exercising the level of care and skill customarily exercised by information security professionals performing similar services under similar conditions.

a. During the term of this Agreement, each party (a "Receiving Party") may have access to and may become familiar with various trade secrets and confidential information of the other party (the "Disclosing Party"), including without limitation financial, operational and development information, reports, data compilations, threat and risk analysis and reporting, software and computer programs and related source codes, object codes and documentation, patient and employee data, processes, policies and procedures, customer lists, prospective customer information, employee lists and prospective employee data that are owned by the Disclosing Party or in which the Disclosing Party has property or license rights (all of

such items contained in any tangible or electronic form, or communicated verbally or visually, herein referred to as the "**Confidential Information**").

b. Notwithstanding the foregoing, Confidential Information shall not include (i) information which is or becomes generally available to the public other than as a result of disclosure by the Receiving Party, (ii) becomes available to the Receiving Party on a non-confidential basis from a source not bound by an obligation of confidentiality to the Disclosing Party, (iii) was known to the Receiving Party prior to its disclosure by the Disclosing Party, or (iv) is developed independently by the Receiving Party without reference to the Disclosing Party's Confidential Information.

c. The Receiving Party shall not, either during the term of this Agreement or at any time thereafter, use the Confidential Information in any way other than in connection with the performance or receipt of services, or in the management of its business, or as required by law, nor disclose any of the Confidential Information, directly or indirectly, other than to its employees, subcontractors or affiliates who have a need to access to such information in connection with the performance or receipt of services, or in the management of its business, or as required by law. The Receiving Party shall take commercially reasonable measures to protect the security and prevent the improper disclosure of Confidential Information, which shall in no event be less rigorous than those utilized by the Receiving Party to protect its own Confidential Information. The Receiving Party shall disclose the Confidential Information only to those employees, agents or representatives having a need for access to the Confidential Information as defined above, and who are bound by obligations of confidentiality and non-disclosure that are no less stringent than those contained herein.

d. It is specifically acknowledged and understood by Client that Fortified's web portal concept, design, and functionality (the Fortified "Dashboard") is a trade secret of Fortified, and, as such, constitutes Confidential Information under this Agreement, and will be treated by Client accordingly.

e. Confidential Information may be disclosed by the Receiving Party as required by law, provided that the Receiving Party shall provide the Disclosing Party prompt advance notice of the legal requirement for disclosure, so that the Disclosing Party may seek a protective order, or other legal relief.

f. Upon termination of this Agreement all Confidential Information in the Receiving Party's custody or control shall be immediately returned to the Disclosing Party, or, at Disclosing Party's option, destroyed; and the Receiving Party shall destroy all records, notes, compilations and other documentation (on all forms of media) containing Confidential Information of the Disclosing Party.

g. The parties each acknowledge that there may be no adequate remedy at law for its failure to comply with the terms of this Section. Accordingly, in the event a Receiving Party fails to comply with these terms, the Disclosing Party shall have the right, without prejudice to any other rights or remedies available to it, to seek equitable relief to enforce and protect its rights hereunder, by way of temporary restraining order or injunction, and such other alternative relief as may be appropriate, without the necessity of posting any bond or surety.

6. Mutual Non-Solicitation Obligations. Each party agrees that it shall not, without the prior written consent of the other party, solicit to hire nor hire any employee or contract consultant of the other

party who has been involved, during the prior twelve-month period, in the performance or the receipt of Services hereunder.

7. Fortified Representations and Warranties

a. Fortified represents and warrants (a) that there are no other agreements of any nature with any person or entity which would prevent Fortified from entering into this Agreement, and (b) that Fortified has made no outstanding assignments, grants, licenses, encumbrances, obligations or agreements, either written, oral or implied, inconsistent with this Agreement.

b. EXCEPT AS EXPRESSLY PROVIDED HEREIN, THE SERVICES ARE PERFORMED WITHOUT WARRANTY, EXPRESSED OR IMPLIED, AND THERE IS NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IT IS EXPRESSLY UNDERSTOOD THAT FORTIFIED'S PRODUCTS AND SERVICES ARE DESIGNED TO ASSIST CLIENT TO OPTIMIZE CLIENT'S DATA SECURITY PRACTICES BUT THERE IS NO GUARANTY AGAINST THE OCCURRENCE OF A SECURITY INCIDENT OR A DATA BREACH.

8. Independent Contractor. Fortified is an independent contractor to Client:

Should such deliverable become, or be likely to become, in Fortified's opinion, the subject of infringement of such patent, copyright or other intellectual property right, Fortified shall procure for Client (i) the right to continue using the same, or (ii)

replace or modify it to make it non-infringing, provided that the replacement or modification performs the same functions and matches or exceeds the performance and functionality of the original deliverable at no additional cost to Client. In the event that Fortified shall reasonably determine that neither (i) nor (ii) above is commercially practicable, Client shall return the infringing deliverable and Fortified shall refund the fees and expenses paid by Client to Fortified for such Work Product. Fortified shall have no obligation or liability for any claim based upon or resulting from (A) the use, operation or combination of the deliverable with non-Fortified programs, data, equipment or documentation if such infringement would have been avoided but for such use, operation or combination; (B) modification of the deliverable, unless such modification has been performed by Fortified or at its direction; (C) the non-compliance with Fortified's designs, specifications or user documentation; or (D) information, direction, specifications or materials provided by Client or by a third party not under Fortified's control. The foregoing states the entire liability of Fortified and the exclusive remedy of Client with respect to infringement of any third party intellectual property rights, whether under theory of indemnity, breach of contract, warranty or otherwise.

c. Fortified shall indemnify, hold harmless and defend Client from, any and all costs, liabilities, damages, attorneys' fees, or expenses of any kind arising out of a third party claim based upon the wrongful death or personal injury of any person (except as otherwise provided in Section 18, below), or the physical damage to property caused by the negligent acts or omissions or willful misconduct of Fortified in the course of performance of this Agreement; provided that, Fortified shall not be obligated to indemnify, hold harmless or defend Client under this Section 11 to the extent a claim arises from the negligent acts or omissions, or willful misconduct of Client, its employees, agents or contractors.

a. This Master Service Agreement shall commence on the Effective Date and shall remain in effect until terminated by a party as provided herein. This Agreement may be terminated (i) by either party for convenience upon thirty (30) days' written notice or (ii) by the non-breaching party in the event of a material breach which is not cured by the breaching party within ten (10) days following written notice of breach provided by the non-breaching party (specifying in reasonable detail the act(s) or omission(s) claimed to constitute the breach). Upon any termination of this Agreement each party shall be released from all obligations and liabilities to the other occurring or arising after the date of such termination, except that: (x) no termination of this Agreement for convenience by Client shall have the effect of terminating any Work Order in effect at the time of such termination that, by its terms, may not be terminated for convenience, and the terms and conditions of this Agreement shall continue to govern any such Work Order(s) until such Work Order(s) expire or are terminated as may be provided for therein; and (y) any termination of this Agreement shall not affect the parties' rights and obligations under all sections of this Agreement that by their nature are intended to survive termination or expiration of the Agreement, nor shall any such termination relieve either party from any liability arising from any breach of this Agreement, as the case may be. Client shall be responsible for payment for Services provided prior to the effective date of termination.

b. In the event of expiration or termination for any reason of this Agreement, and upon completion or termination for any reason of any Work Order hereunder, Fortified shall immediately make available, for legal and physical transfer to Client, all copies or embodiments of any Deliverables, regardless of the state of completion. 16. Taxes. Client shall be responsible for payment of all sales, use, excise and other taxes levied in connection with the Services, except that Fortified shall be responsible for taxes based upon Fortified's income, and for payroll taxes levied in connection with Fortified employees.

17. Limitation of Liability. FORTIFIED'S TOTAL LIABILITY TO CLIENT, WHETHER IN CONTRACT OR IN TORT OR UNDER ANY OTHER CAUSE OF ACTION (INCLUDING, WITHOUT LIMITATION, BREACH OF WARRANTY, NEGLIGENCE AND STRICT LIABILITY IN TORT) SHALL BE LIMITED TO AN AMOUNT NOT TO EXCEED, IN THE AGGREGATE FOR

Client shall indemnify, hold harmless and defend Fortified from and against any third party claim, loss, liability or damages arising out of any medical treatment, patient care or related activities of Client.

If return or destruction is not feasible, Business Associate agrees to extend all protections contained in this Agreement to its use and or disclosure of any retained PHI following termination of this Agreement, and to limit all further uses and/or disclosures to those purposes that make the return or destruction of the PHI not feasible.
4. Permitted Uses and Disclosures of PHI. Notwithstanding the restrictions and conditions upon the use and/or disclosure of PHI set forth herein, Business Associate may use PHI for its proper management and administration and to fulfill Business Associate's legal responsibilities.
 5. Minimum Necessary Representation. In addition, Business Associate represents and warrants that it will institute and implement policies and practices to limit its uses and

disclosures of PHI to that which is minimally necessary to perform its obligations under the Underlying Agreement(s).

This Agreement shall terminate automatically if there is no Underlying Agreement in effect that requires use and/or disclosure of PHI by Business Associate.
8. Injunctive Relief. The parties stipulate that any unauthorized use and/or disclosure of PHI could cause Client irreparable harm. Therefore, in such event, Client shall be entitled to such injunctive relief as shall be deemed appropriate by a court of competent jurisdiction without a requirement for posting of bond. Such injunctive relief shall be available in addition to any other rights or remedies available at law or in equity.
